

Protifi, LLC
PO Box 2317
Huntington NY 11743

Product name: Tryp-N

Product number: E-01, K-01

Important note:

This product does not contain more than 1% of a component classified as hazardous and does not contain more than 0.1% of a component classified as carcinogenic. Per OSHA 29CFR1910.1200, Commonwealth of Australia [NOHSC:1005,1008(1999)] and the latest amendments to the European Union Directives 67/548/EC and 1999/45/EC, this product does not require a Material Safety Data Sheet (MSDS). Therefore Protifi, LLC does not provide this information on a MSDS.

When working with this or any chemical reagent, we always recommend the use of gloves, lab coats, and eye protection. Protifi, LLC assumes no liability for damage resulting from handling or contact with this product. Digestive proteases in general have low toxicity and are not expected to exhibit toxicity in the quantities supplied or employed in typical use. However, should skin or eye exposure occur, wash the affected area immediately. Should ingestion occur, seek the advice of a trained doctor.
